The Warnerbus Citroen Berlingo Accessible Vehicle

Warnerbus specialises in the bespoke conversion of the well specified and comfortable Citroen Berlingo.

The Berlingo is renowned for its performance and is an easy to park, compact family vehicle.

Our conversion is discrete, yet functional and retains the original seating intact to allow maximum flexibility for family travelling.

Our standard specification includes luxurious, but hardwearing trim, M1 tested passenger seats (all fitted with integral lap and diagonal belts) which conform to the latest EEC Directives. Easy access to the vehicle is provided by an extended ramp.

An extensive list of options is available to enable the discerning customer to bespoke their Wheelchair Accessible Vehicle to meet their specific requirements.
