Mercedes and Warnerbus

Warnerbus enjoys an excellent working relationship with the Mercedes Dealer network and many of our customers choose a Warnerbus Sprinter conversion due to the high level of after sales service they receive both from the dealership and, of course Warnerbus.

How does this benefit you?

We work very closely with Mercedes Dealerships, and, as a consequence receive second to none customer service from them. We are also ISO accredited which gives you a guarantee of the highest quality. From the base vehicle, the top quality components we use and the standard of our workmanship, we guarantee that you will be driving an outstanding vehicle. And, for additional peace of mind, Warnerbus offers a no cost, 3 year unlimited mileage warranty.

You and Warnerbus

Words can be cheap but when Warnerbus states that we offer you a complete customer care package, we mean it. We absolutely guarantee that we will care for you and your needs from the initial quotation stage throughout your entire ownership of your vehicle. Our reputation as a caring Company has earned us an enviable reputation nationally and 100% of our customers would recommend Warnerbus too-an achievement that we are very proud of.

So why are we different?

When you need a vehicle, we completely understand that this is specific to you and your passengers. No two vehicles are the same and expert care and attention is paramount during the initial quotation and design stages. This is why we offer a full consultation before a quotation. We meet you (often at your premises) and work closely with you to learn about your bespoke requirements before 'building' a quotation for your specific needs. We also offer all of our customers a tour of our workshop in order for them to see how we work and of course, the quality of our vehicle builds.

If leasing isn't ideal for you, Warnerbus can assist you in sourcing the finance to purchase your vehicle.

What about my old vehicle—can you help me to dispose of it?

Again, Warnerbus can help you here. We are able to arrange trade-ins for your old vehicle at competitive prices.
