Ambulance and PTS Vehicles

Driving Quality

Warnerbus completely understands the demands of the PTS industry and can offer you a PTS vehicle or ambulance to meet all of your stringent requirements. Built to the highest quality and meeting all current health and safety legislation, Warnerbus is able to offer you the durability and functionality you require without compromising safety and comfort.

TYPE APPROVAL

Ambulance and PTS Vehicle Options

In addition to our usual optional extras, your PTS / Ambulance specification can include the following:

- Tracker systems
- Emergency Sirens
- Lowerable Air suspension
- Wipe down interiors
- Tinted glass
- Privacy blinds
- Stretchers and restraint systems
- Carry chairs
- Folding wheelchairs
- Piped Oxygen
- Overhead Storage Lockers
- Oxygen outlets
- Light bars, repeaters and strobes
- Appropriate signage (e.g. compressed air / defibrillator on board)
- NHS decals

If your bespoke requirement is not highlighted above, please do not hesitate to ask.
