## Volkswagen and Warnerbus

Warnerbus enjoys an excellent working relationship with the Volkswagen Dealer network and many of our customers choose a Warnerbus Crafter conversion due to the high level of after sales service they receive both from the dealership and, of course Warnerbus.

### How does this benefit you?

We work very closely with Volkswagen Dealerships, and, as a consequence receive second to none customer service from them. We are also ISO accredited which gives you a guarantee of the highest quality. From the base vehicle, the top quality components we use and the standard of our workmanship, we guarantee that you will be driving an outstanding vehicle. And, for additional peace of mind, Warnerbus offers a no cost, 3 year unlimited

## You and Warnerbus

Words can be cheap but when Warnerbus states that we offer you a complete customer care package, we mean it. We absolutely guarantee that we will care for you and your needs from the initial quotation stage throughout your entire ownership of your vehicle. Our reputation as a caring Company has earned us an enviable reputation nationally and 100% of our customers would recommend Warnerbus too—an achievement that we are very proud of.

### So why are we different?

When you need a vehicle, we completely understand that this is specific to you and your passengers. No two vehicles are the same and expert care and attention is paramount during the initial quotation and design stages. This is why we offer a full consultation before a quotation. We meet you (often at your premises) and work closely with you to learn about your bespoke requirements before 'building' a quotation for your specific needs. We also offer all of our customers a tour of our workshop in order for them to see how we work and of course, the quality of our vehicle builds.
