

Kangoo Extreme Wheelchair Accessible Vehicle

Warnerbus is able to offer you a high quality, easy access wheelchair accessible vehicle. Created under Renault quality control, the wheelchair accessible Renault Kangoo Car range carries up to 5 people including driver and 1 wheelchair passenger in style and comfort.

There are two models in the range - The Kangoo Extreme and the Kangoo Expression. Both models come with a full Renault warranty and nationwide after sales support.

- ✦ The rear floor area is lowered to give an internal height of approximately 57" (1450mm) to facilitate a more comfortable ride with clear vision for the wheelchair passenger
- ✦ A lightweight fold down ramp at the rear makes entry & exit of wheelchair easy
- ✦ The design retains Renault's own rear suspension. The wheelchair is secured at the front by electrically operated restraints and rear webbing straps
- ✦ A lap and diagonal seat belt protects the wheelchair passenger
- ✦ The specification also includes interior lighting and fire extinguisher

Two single folding, adjustable and removable seats in matching trim, are mounted behind the front seats, with lap and diagonal belts

Kangoo Extreme Options Available
