Fiat Scudo Panorama Wheelchair Accessible Vehicle

If you require a multi-purpose people carrier or a wheelchair accessible vehicle that offers versatility and flexibility, then this is the vehicle for you. No longer than a large family car and just as easy to drive, the Fiat Scudo provides seating for 6 people, including the driver, plus 1 wheelchair passenger or 5 people, including the driver.

- ✦ The rear floor area is lowered to give an internal height of approximately 57" (1450mm) to facilitate a more comfortable ride with clear vision for the wheelchair passenger.
- ✦ Lowering air suspension is fitted as standard specification.
- ✦ A lightweight fold down ramp at the rear makes entry & exit of wheelchair easy.
- ✦ The wheelchair is secured at the front by optional electrically operated restraints and rear webbing straps. An electrically operated winch is available as an optional extra.
- ✦ A lap and diagonal seat belt protects the wheelchair passenger.
